JinkoSolar Announces Proposed At-The-Market Offering of up to US\$100,000,000 of ADSs

SHANGRAO, China, Dec. 9, 2020 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. (NYSE: JKS) (the “Company,” or “JinkoSolar”), one of the largest and most innovative solar module manufacturers in the world, today announced that its board of directors has approved its proposed equity offering through an at-the-market equity offering program. The Company is preparing relevant documentation for this program. After the Company later files a registration statement (including a prospectus) and the relevant prospectus supplement with the U.S. Securities and Exchange Commission (the “SEC”), the Company may at its discretion sell, from time to time, up to an aggregate of US\$100,000,000 of its American depositary shares, each representing four ordinary shares of the Company, under this program at market prices prevailing at the time of sale or at negotiated prices, or as otherwise agreed with the sales agents.

The Company may file a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the Company has filed with the SEC for more complete information about the Company and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. Alternatively, the Company will arrange to send you the prospectus after filing if you request it by calling +86 21-5183-3105 or emailing us at ir@jinkosolar.com.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities, nor will there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction. The offering may be made only by means of a prospectus supplement and the related base prospectus.
