

## JinkoSolar Joins IRENA Coalition for Action to Help Drive Global Renewable Energy Development

July 5, 2023

SHANGHAI, July 5, 2023 /PRNewswire/ -- JinkoSolar, one of the largest and most innovative solar module manufacturers in the world, has officially become a member of the IRENA Coalition for Action, further affirming its dedication to sustainable energy development.

As a global advocate of and a global leader in green energy transformation, JinkoSolar has long been committed to driving the transition towards a sustainable energy future. By embracing renewable energy solutions, JinkoSolar is actively working towards a cleaner and more sustainable world.

As a leading global authority in the renewable energy field, the IRENA Coalition for Action plays a crucial role in driving renewable energy development and achieving sustainable energy transition. By becoming a member of the IRENA Coalition for Action, JinkoSolar will expand its influence and collaborate more closely with the international renewable energy community. JinkoSolar will participate in global initiatives and projects, share best practices and experiences, and explore innovative solutions alongside other members.

Ms. Dany Qian, Vice President of JinkoSolar commented: "We are very proud to become a member of the IRENA Coalition. We expect that joining the IRENA Coalition for Action will contribute to enhancing JinkoSolar's industry reputation, fostering business growth and establishing strong partnerships with leading institutions and professionals in global renewable energy development. We believe this will unlock broader opportunities for our development and make a positive contribution to the sustainable advancement of renewable energy globally."
