## JinkoSolar to supply Nyox Srl with 100MW Tiger Neo modules

04/23/2024

SHANGRAO, China, April 23, 2024 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), one of the largest and most innovative solar module manufacturers in the world, today announced that at the KEY Exhibition 2024 in Rimini, where it unveiled its first NeoGreen modules produced in factories using renewable energy throughout the entire production chain, and its subsidiary signed a purchase agreement with Nyox Srl, a leading renewable energy solutions provider based in Italy, to supply 100MW Tiger Neo modules. This strategic collaboration marks a pivotal moment in JinkoSolar's commitment to further expand its presence in the Italian market and drive sustainable energy solutions forward.

"We are delighted to announce this important purchase agreement with Nyox Srl, a valued partner in our mission to drive the transition to renewable energy in Italy," said Alberto Cuter, Vice President Latam&Italy at JinkoSolar. "This collaboration reaffirms our commitment to deliver cutting-edge solar solutions that empower businesses and communities to embrace a sustainable future."

"This agreement protects our customers and their investments by ensuring high-quality products, with the promise of durability and performance," said Alex Bottini, CEO of Nyox Srl. "A 100MW solar panel agreement is highly significant, and we are pleased and honored to have signed it with a global partner like JinkoSolar, considering the importance of the development plans in the renewable energy sector that Nyox has decided to undertake."
