JinkoSolar Awarded "Top 100 Best Employers in China"

October 2, 2013

- Only Solar Company Recognized -

SHANGHAI, Oct. 2, 2013 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar" or the "Company") (NYSE: JKS), a global leader in the solar PV industry, today announced that it has been recognized as one of the "Top 100 Best Employers in China 2013".

This election is by the *World Executive Journal* in conjunction with the *World HR Laboratory*, *Bossline* and *CEO-ZINE*; organizations that promote company culture and brand awareness of an employer. JinkoSolar was the only solar PV company recognized. Other well-known companies including Google (China), CMCC, Apple (China), Baidu, ICBC, and Huawei were also recognized.

JinkoSolar with over 7,000 employees globally, has been committed to creating excellent working environment and conditions. The Company was recognized for the first time due to its job stability, sound corporate culture, low employee turnover, high-efficient internal communication system.

"We are committed to creating a supportive working environment, where each employee has equal opportunities and experiences respectful workplace culture. And the relationship between employer and employee in JinkoSolar is always healthy and transparent," commented by Mr. Kangping Chen, JinkoSolar's CEO. "Fairness and accountability is an essential component of the company culture. We wish our employees can feel free to be themselves and thrive under this company culture. We believe that only through the efforts of all employees, could the Company's vision and target be achieved."

About JinkoSolar Holding Co., Ltd.

JinkoSolar is a global leader in the solar PV industry with production operations in Jiangxi and Zhejiang Provinces in China and sales and marketing offices in Shanghai and Beijing, China; Munich, Germany; Bologna, Italy; Montpellier, France; Zug, Switzerland; San Francisco, the United States; Queensland, Australia; Ontario, Canada; Singapore; Tokyo, Japan; and Cape Town, South Africa.

JinkoSolar has built a vertically integrated solar product value chain, with an integrated annual capacity of approximately 1.5 GW each for silicon ingots and wafers, solar PV cells, and solar PV modules, as of June 30, 2013. JinkoSolar sells electricity in China and distributes its solar products to a diversified customer base in the global PV market, including Germany, Italy, Belgium, Spain, the United States, France, Eastern Europe, China, India, Japan, South Africa, and other countries and regions.
