## JinkoSolar Recognized as One of Fortune's 100 Fastest Growing Companies

October 10, 2016

SHANGHAI, Oct. 10, 2016 /PRNewswire/ -- JinkoSolar Holding Co., Ltd. ("JinkoSolar"), a global leader in the photovoltaic (PV) industry, today announced that it has been ranked 16 in the 2016 FORTUNE magazine list of the 100 Fastest-Growing Public Companies. This is the Company's first year on this prestigious list that recognizes public companies with the best three-year growth rates, revenue, and profit.

"We're extremely proud to be ranked In Fortune's 100 fastest growing companies this year. This recognition proves that the team has been working incredibly hard to achieve this fast growth. Our continued investment in technology, innovation and people has contributed to this success," said Mr. Xiande Li, Chairman of JinkoSolar. "We are pleased to be recognized for our strong financial performance that positions us with some of the most prominent companies in the world. Our unwavering dedication to providing the highest quality and performance products and unrivaled service are the most important factors driving the growth of the company. We will continue focus on technology and innovation, global delivery and investment."

FORTUNE magazine's 100 Fastest-Growing Companies are publicly traded companies ranked by revenue growth rate, EPS growth rate, and three-year annualized total return for the period ended June 30, 2016. The overall rank is based on the sum of these three ranks.
