Settlement of Patent Infringement Lawsuits with Hanwha

This Current Report on Form 6-K (the “Form 6-K”) is being filed by JinkoSolar Holding Co., Ltd. (“JinkoSolar”) in connection with a patent cross-license and settlement agreement its affiliate has entered into with Hanwha Solutions Corporation (collectively with its affiliates, “Hanwha”) resolving all pending patent infringement lawsuits between the companies.

In March 2019, Hanwha filed patent infringement claims against JinkoSolar and a number of its subsidiaries (collectively, the “JinkoSolar companies”) in the U.S., Germany and Australia, alleging that certain photovoltaic solar cells and modules supplied by the JinkoSolar companies infringed certain patents purportedly owned by Hanwha. On June 2, 2023, Jinko Solar Co., Ltd. (“Jiangxi Jinko”), JinkoSolar’s majority-owned principal operating subsidiary, and Hanwha entered into a patent cross-license and settlement agreement, pursuant to which Jiangxi Jinko and Hanwha have agreed to the grant of mutual licenses to each other concerning a number of patents, including but not limited to the patents in dispute, and payment of license fees. Jiangxi Jinko and Hanwha have also agreed to terminate all pending patent infringement and invalidation proceedings between the JinkoSolar companies and Hanwha.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

JinkoSolar Holding Co., Ltd.
